## Public Meeting

Tuesday 20<sup>th</sup> April, 2010 at 7.30 pm

Cogenhoe Village Hall  
York Avenue, Cogenhoe

*Meet your prospective parliamentary candidates!*

Andrea Leadsom  
Conservative Parliamentary Candidate  
South Northamptonshire

Matthew J. May – Labour Parliamentary Candidate  
South Northamptonshire Labour Party

Cllr. Scott Collins  
Liberal Democrat Parliamentary Candidate – South Northamptonshire

*You are probably aware of the success that was achieved by the coalition of parish councils in South Northants and of other campaigning organisations such as the Northants Residents Alliance to try and halt undemocratic decisions that are being made on our behalf by the West Northamptonshire Joint Planning Unit.*

*Decisions like 40,000 new houses, with no infrastructure planning, major new trunk roads which would cut our villages in half, if allowed.*

*Northamptonshire people have voiced their opinions to the WNJPU, but despite our best efforts to derail the WNJPU's destructive agenda, it seems that the only way rural Northamptonshire is going to be protected from becoming 'Londonshire' by central government, is for the Growth Agenda to be challenged at Parliamentary level.*

*We have therefore invited your parliamentary candidates to Cogenhoe for you to ask questions about their policies, if elected.*
